### **Important information – changes as of 1 August 2017**

Dear business partner,

We are pleased to inform you that the merger of our subsidiaries

- CESTronics GmbH, Friedrichstr. 243, 42551 Velbert, Germany
- CESlocks GmbH, Mettmanner Str. 119, 42549 Velbert, Germany

into the parent company

- C.Ed. Schulte GmbH Zylinderschlossfabrik, Friedrichstr. 243, 42551 Velbert, Germany

will become effective on 1 August 2017 with the registration in the commercial register.

Existing contracts with the above mentioned subsidiaries are transferred to C.Ed. Schulte GmbH Zylinderschlossfabrik and remain valid.

Pooling all our activities under the umbrella brand CES, enables us to use new synergies and optimise internal processes and hence focus even more on service-oriented customer relations.

### **How does this change affect you?**

This will only affect you, if you are a customer of CESTronics GmbH.

For the CES cylinders and CES locks products you don't need to change anything, because both product lines are already supplied through C.Ed. Schulte GmbH Zylinderschlossfabrik. Only if you are customer of CESTronics GmbH, you would need to do the following:

1. Please adapt your suppliers information:

- C.Ed. Schulte GmbH Zylinderschlossfabrik, Postfach 10 11 80, 42547 Velbert, Germany
- VAT-ID-No.: DE 121542657
- Register no.: HRB 17178, Amtsgericht Wuppertal

2. Since the former subsidiaries stop existing, please only use the following bank accounts after the effective date:

- Deutsche Bank AG IBAN: DE25 3307 0090 0470 1967 00 BIC: DEUT DEDW 330
- Sparkasse HRV IBAN: DE42 3345 0000 0026 2137 85 BIC: WELA DED1 VEL

If payment by direct debiting has been agreed, we will write you separately, due to some formalities that have to be observed.

**What remains unchanged:**

- contact data of employees
- agreed terms and conditions as well as delivery times
- product range and article numbers
- your customer number.

We would be very grateful if you could pass on this information to the relevant people in your company.

Please feel free to contact our sales team (phone: +49 2051-204-367, [export@ces.eu](mailto:export@ces.eu)) if you have any questions.

We are looking forward to continuing our good cooperation with you.

Best regards
